

**FOR THE JOY THAT'S SET BEFORE US in D**

**(Rom. 8:18; Heb. 12:1-2; Phil. 3:12-14)**

**Bm7                  Asus4          Gmaj7**  
I consider that the sufferings of this present time  
**Bm7                  Asus4                  Gmaj7                  Asus**  
Are not worthy of comparison to the glory we will find  
**G          D/F#                  G          D/F#                  G          D/F#          Asus**  
So we wait for You, eagerly wait for You, eagerly wait for You, O Lord

**G2                          A/C#                  Dsus2+4                  D          /C#**  
In the beauty of Your holiness our eyes will see the King  
**Bm7                          A/C#                          Dsus2+4                  D**  
The Lamb of God who died for us now reigns in majesty  
**/C#          Bm7 A/C# D                          Bm7 A/C# D**  
We shall behold Him, we shall behold Him

**Bm7 A/C# D    A/C# Bm7 A/C# D**  
Halelu-u-jah, Halelu-u-ujah                  (Yeshua, Yeshua)

**G                          A/C#**  
So we will run the race, we will fight the fight,  
**D                          /E          Dsus2/F#**  
For the joy that's set before us  
**G                          A/C#**  
We will lay aside every weight  
**D                          /E          Dsus2/F#**  
And sin that can ensnare us  
**G                          A/C#**  
Forgetting all that lies behind  
**D                          Dsus2/F#**  
Pressing forward in the upward climb  
**G                          Dsus2/F#**  
For the joy that's set before us
